Clientspeak

"Would like to take this opportunity to express my appreciation to you and your esteemed team. QAI team's dedication and professionalism made the project a great success.

– Sony

"The program was very interactive, with nice activities to illustrate the scenarios."

"This is the first workshop/training which didn't make me sleepy even for a second. Nice instructor."

"Question put up in the slides frequently which were asked to answer by participants using a clicker is awesome."

– CISCO

"Very relevant program. Logical and directly apparent gains from adopting the learning of the program."

"Very useful. Liked way of handling Q&A."

"Good knowledge and value for our work and organisation."

"Good first hand exp. Of agile scrum. Real life examples."

– Landis & Gyr Ltd.
